REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: none of the references listed on the attached signed and initialed PTO-1449 teach or suggest the claimed features previously indicated as allowable **and** constitute prior art under 35 USC 102. It appears that the article by Murakami et al teach a liquid non-aqueous electrolyte, however, this reference is not prior art as it was published 9 months after the present application was filed. Therefore, the present claims are still allowable over the *prior art* for the reasons already of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Harry D Wilkins, III whose telephone number is 571-272-1251. The examiner can normally be reached on M-Th 10:00am-8:30pm.
